

The Saxons

NATIONAL JUNIOR ATHLETIC LEAGUE 2012

Dear Athlete

Welcome to the new season. Ipswich Harriers are once again joining up with Chelmsford AC to form the "Saxons" that compete in the Premier division of the National Junior league.

The competition is for U20 and U17 age groups and is the highest league standard available for those eligible athletes. As a result the standard is very high, therefore if you are up for a challenge, want to develop your athletics further or simply want to experience the competitive atmosphere, then contact either Keith Moore or Graeme Crissell on the phone numbers on the fixture list or simply speak to them on club nights.

There are four scheduled meetings per season with a potential championship final on September 9th. There is no commitment required to attend every match and transport will be available from Northgate Sports centre for each date. Further details will be made available nearer the time.

The meetings and venues are as follows:

29 th April	Eton
24 th June	Haringey
22 nd July	Bromley
12 th August	Copthall
